## The Dog's Bone

"Where is my bone?" the dog yelled.  
He sniffed with his nose. He smelled the  
bone, but it was in a big hole!

"My bone is in that hole!" said the dog.  
He poked his nose in the hole.

"I smell a vole! Come out, vole!"

The vole popped out of his home.

"Vole, do you have my bone?"

"Nope," said the vole. "It is over there."  
The dog looked. His bone! "Sorry, vole!"
